

# Expansion Classes

## More Ways To Learn & Play

### *Stay & Play* \$13 (\$14 for 2's)

Children enjoy a lunch from home and supervised play. Stay & Play is available daily until 1 PM. Families can purchase tickets in packs of 6 or 12, or a savings pass for the entire year. Just send in a ticket with your child's lunch whenever you would like them to stay! Monthly passes also available.

### *Stay & Play Plus* \$26 (\$28 for 2's)

Children enjoy a lunch from home and supervised play until 2:30 PM. Stay & Play Plus includes a rest time for 2's & 3's. Families can purchase tickets in packs of 6 or 12 and send in a ticket with your child's lunch whenever you would like them to stay!

### *Stay & Play All Day* \$35

All of the above, plus an extra hour of creative activities to finish the day. 3:30 dismissal.

### *Early Start* \$5

Children are walked into the school and signed in as early as 8:15 AM. Staff will walk them to their regular classroom when school begins.

### *Lunch & Learn* \$30

Extend your day the Educational Way! Focused on age appropriate phonics and math, this class meets every Tuesday and Thursday. 2:30 dismissal.

### *Mini Munchers* \$10

NEW! And just for our two's! Bring a lunch from home and stay until noon.

### *Brain Builders (S.T.E.M.)* \$30

This program focuses on Science, Technology, Engineering and Mathematics. Children learn through experimentation, building, and play-based projects. Available Wednesdays for 4's & 5's.

### *Bright Minds* \$25

Our S.T.E.M. class geared for 3's is available on Mondays. Dismissal at 1:30

### *Preschool Players* \$30 (\$35 for 3's)

Dramatic play and games make for a theatrical afternoon! Available Mondays for 4's, 5's and K+. Three's meet on Tuesdays. Children bring a lunch from home, 2:30 PM dismissal. Performance with costumes, music, and more!

### *Special Expansion Classes* \$15

Classes vary monthly and are offered to all students! Monthly schedule provided. Typical classes are 45 minutes long and topics include Art, Cooking, Sports & Games, Gardening, Yoga, Math, and Dance.
